- 3. Government Resolution, Government of India, Ministry of Water Resources, River Development and Ganga Rejuvenation No.: T-13014/1/2017-GW,dated 18 May, 2017**

Introduction:-

In accordance with the directives received from the ministry of water Resources, River Development and Ganga Rejuvenation, Government of India, New Delhi vide letter dated- 18/05/2017, Re assessment of Ground Water Resources (as on March 2017) based on revised methodology known as Ground Water Estimation methodology 2015 (GEC -2015 methodology) has to be carried out jointly by CGWB and State Ground Water Department for the State of Maharashtra, in view of the changes observed in the Ground water scenario. The watershed wise /block wise annual re-plenishable Ground Water Resources assessment for the entire State of Maharashtra as on March 2013 (based on GEC-97 methodology) was completed in the year 2015.

In order to estimate the total Ground Water Resources of the state in accordance with the GEC-2015 methodology a technical committee is required to be set up as advised by the Government of India.

Resolution:-

Government of Maharashtra has decided to constitute the State level committee (SLC) for re assessment of the Ground Water Resources (as on March 2017) based on GEC 2015 methodology in the State of Maharashtra as prescribed below.
